CLUB SAFEGUARDING CHILDREN POLICY

v2.0 - 22/03/2023

Washington NSG Football Club acknowledges its responsibility to safeguard the welfare of every child and young person and is committed to working to provide a safe environment for all. We recognise that a child is anyone under the age of 18 and subscribe to The Football Association's Safeguarding Children Policy and Procedures.

Washington NSG Football Club endorses and adopts the following key safeguarding principles:

1. The child's welfare is, and must always be, the paramount consideration.
2. All children and young people have a right to be protected from abuse regardless of their age, gender, gender reassignment, sexual orientation, marital status, civil partnership, race, nationality, ethnic origin, colour, religion, belief, ability, disability, pregnancy or maternity.
3. All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.
4. Working in partnership with other organisations, children and young people and their parents or carers is essential. We acknowledge that every child or young person who plays or participates in football should be able to take part in an enjoyable and safe environment and be protected from poor practice and abuse.

Washington NSG Football Club recognises that this is the responsibility of every adult involved in our club. Washington NSG Football Club has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The Football Association's Child Protection Regulation applies to everyone in football whether in a paid or voluntary capacity. This means whether you are a volunteer, match official, helper on club tours, football coach, club official or medical staff.

WASHINGTON NSG FOOTBALL CLUB

We endorse and adopt The FA's Responsible Recruitment guidelines for recruiting volunteers and we will: -

1. Develop a role profile.
2. Request identification documents.
3. As a minimum meet and chat with the applicant(s) and where possible conduct interviews before appointing.
4. Request and follow up with two references before appointing.
5. Require an FA DBS Unit Enhanced Disclosure where appropriate in line with FA guidelines.

All our current members who are regularly caring for, supervising, training or being in sole charge of children and young people will be required to complete a DBS Enhanced Disclosure via The FA DBS Unit. If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of our club, guidance will be sought from The Football Association. It is noted and accepted that The FA will consider the relevance and significance of the information obtained via The FA DBS Unit Enhanced DBS Disclosure and that all decisions will be made in the best interests of children and young people. It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of 'grooming' within football.

The Club supports The FA's Whistle Blowing Policy. Any adult or young person with concerns about a colleague can 'whistle blow' by contacting The FA Safeguarding Team on **0800 169 1863**, by writing to The FA Case Manager at **The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ**, by emailing **safeguarding@thefa.com** or alternatively by going direct to the Police, Children's Social Care or the NSPCC.

The Club has appointed a Club Welfare Officer (CWO), as well as a Club Welfare Committee, in line with The FA's role profile and required completion of the Safeguarding Children and Welfare Officers Workshop. The post holder has been involved with Welfare Officer training provided by The FA. The CWO is the first point of contact for all Club committee members regarding concerns about the welfare of any child or young person. The CWO will liaise directly

with the CFA Welfare Officer and will be familiar with the procedures for referring any concerns. They will also play a proactive role in increasing awareness of Respect, poor practice and abuse amongst their Club members. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable in our Club. If bullying does occur, all players or parents/carers should be able to tell and know that incidents will be dealt with promptly. Incidents need to be reported to the CWO or alternatively, in cases of serious bullying, we may contact the CFA Welfare Officer.

Respect codes of conduct for Players, Parents/Spectators, Officials and Coaches have been implemented by our Club. In order to validate these Respect codes of conduct the Club has clear actions it will take regarding repeated or serious misconduct at Club level and acknowledges the possibility of potential sanctions which may be implemented by the CFA in more serious circumstances. All registering members will be required to adopt the Respect codes.

Safeguarding is everyone's responsibility. If you are worried about a child, it is important that you report your concerns - no action is not an option. If you are worried about a child then you need to report your concerns to the CWO. If the issue is one of poor practice they will either: -

1. Deal with the matter themselves.
2. Seek advice from the CFA Welfare Officer.
3. If the concern is more serious - possible child abuse - they will, where possible, contact the CFA Welfare Officer first, then immediately contact the Police or Children's Services.
4. If the child needs immediate medical treatment take them to a hospital or call an ambulance and tell them this is a child protection concern. Let your Club Welfare Officer know what action you have taken, they in turn will inform the CFA Welfare Officer.

If at any time you are not able to contact your Club Welfare Officer or the matter is clearly serious then you can either: -

1. Contact your CFA Welfare Officer directly.

The policy outlines in detail what to do if you are concerned about the welfare of a child and includes flow diagrams which describe this process. How to make a referral is also covered in the Safeguarding Children workshop. Participants are given the opportunity to discuss how this feels and how best they can prepare themselves to deal with such a situation.
